

1. Go to www.bricklink.com and login/register by clicking on the head icon.

If registering for the first time, make sure to confirm your email address by clicking the link in the email that bricklink sends you.

2. After logging in, click on your profile. Then select “My Wanted Lists.”

The screenshot shows the BrickLink website interface. At the top, there is a navigation bar with the BrickLink logo, menu items for Marketplace, Studio, BrickLink Designer Program, and Community, a search bar, and a shopping cart icon. Below the navigation bar is a dark blue banner for a pre-order promotion. A red arrow points from the 'ORDER NOW' button to the 'My Wanted Lists' option in the user profile dropdown menu. The profile menu is open, showing the user's name 'GrantDavis' and a list of account options. Below the banner, there is a section for browsing LEGO items, categorized into Sets, Parts, and Minifigures.

Congrats! You have uploaded your parts to Bricklink!

Now it is time to order them!

8. View your new wanted list on the next screen.

Now is a good time to adjust your list if there are any pieces from your collection that you want to use instead of buying them. Use the "Want" and "Have" spaces to adjust the quantity of any piece. (Have = what you already own. Want = what you will order.)

9. Click the "Buy All" (or "Easy Buy") button.

10. On the buy wanted list screen, you can adjust store location and store currency.

Shipping can be cheaper when you order parts from your own country.

11. Click the “Auto Select” button to have bricklink automatically pick the cheapest combination of stores.

The screenshot shows the 'Buy' tab in the Bricklink interface. On the left, there's a 'Wanted Lists (2)' sidebar with 'Swaying Ghost ... (160/160)' selected. The main area is titled 'Buy Wanted Lists' and contains 'Store Filters' with 2 filters applied. The filters include 'Store location' (USA, North America, Anywhere), 'Store accepts' (US Dollar, Instant Checkout), and 'Exclude' (Disliked stores, Stores that do not ship to me, Lots below Wanted qty, Lots over max price). Below the filters, there's a 'No store found' message and a 'Show first' section with options for 'Favorited' and 'Coupons'. The 'Sort by' dropdown is set to 'Unique lots'. A red arrow points to the 'Auto-select' button in the top right corner of the main area. Below the button, there's a loading spinner and the text 'Finding ...'.

12. Uncheck the “Select stores when item price is lower than store Minimum Buy” box and click “Start.”

Once completed, bricklink will show a combination of stores from which you can order your parts.

Selected Stores (3)						443/443 assigned (100%)
Store name	Country	Unique lots	Item count	Item price	Min. buy	Remove all
Family Blocks (8138)	USA	16	34	US \$11.31		Edit Remove

Olympia BrickStock LLC (598)	USA	99	273	US \$18.32		Edit Remove
Subtotal	3 domestic	160	443	US \$39.88		Create carts

13. Make sure that all the parts from the wanted list are accounted for.

The screenshot shows the BrickLink interface with a shopping cart and filters. A red arrow points to the 'Wanted Lists' section on the left. The cart shows two items: Hannibal's Workshop (1794) and Olympia BrickStock LLC (598), with a subtotal of 3 domestic items, 160 unique lots, 443 items, and a total price of US \$39.88. The 'Wanted Lists' section shows 160/160 item(s) selected, with a search bar and a list of wanted lists. The 'Store Filters' section shows filters for Store location (USA, North America, Anywhere), Store accepts (US Dollar, Instant Checkout), and Exclude (Disliked store, Stores that d, Lots below W, Lots over ma). The '0 stores found' message is displayed, along with options for 'Show first' (Favorited, Coupons) and 'Sort by' (U).

If any parts are missing, try adjusting where you are searching by selecting "Anywhere" before clicking "Auto Select" again.

14. Select "Create carts."
